EXPERIENCE

Product Designer | eCommerce Specialist | CRO
Apr 2026 – now

MM ShopyDevs · Shopify Plus Partner

- End-to-end design for luxury and fashion brands on Shopify Plus.
- UX/CRO audits, from funnel strategy to design definition and QA.
- Technical briefing and developer handoff across client projects.

UX/UI Designer & Shopify Developer
Jan – Apr 2026

Patek Philippe Boutique Madrid

- Led end-to-end design and Shopify build within strict Maison brand guidelines.
- Structured information architecture and designed high-fidelity layouts.
- Integrated appointment booking system ensuring a seamless premium UX.

Product Designer · Luxury Jewelry
May 2022 – Apr 2026

Aristocrazy & Joyería Suárez

- Full redesign of both ecommerce platforms (aristocrazy.com & joyeriasuarez.com) through three platform migrations: Salesforce SiteGenesis → SFRA → Shopify.
- Redesigned key areas improving usability, accessibility and conversion.
- Design system, GA4 funnel analysis, CRO audits and developer handoff.
- Supported the growth and maturation of the digital team through end-to-end design and continuous improvement.

A parenthesis: English immersion in Australia
2025

Took a year to immerse in English full-time. 100% recommended. Funded the adventure as hot dog vendor, YHA hostel barista and cook, and cleaner.

Product Designer · Fintech App
Nov 2020 – May 2022

Correos Prepago · Good Rebels

- Designed for individual and corporate users via user research and personas.
- Led iOS & Android UI, maintaining UI Kits and motion/animation guidelines.
- Contributed to design strategy and data-driven feature optimisation.

Architect
Feb – May 2019

Construcciones Amenábar S.A.

- Assisted in supervising construction activities and site operations.
- Supported coordination with contractors, engineers, and stakeholders.
